

Dear Customer,

Please find below a prepaid Returns label. If you have agreed with our customer service team to return something to us at our own expense, you can use this label to do so. (Please do not use this label before receiving such authorisation).

Simply print this page, cut out the label and affix it to your parcel. Upon taking the parcel to the post office you will not be required to pay any postage charges to send it back to us

Kindest regards

Joel Adams
